## Customer Reviews

I like home made food. lately I was running out of new ideas and my cooking style was very boring. I chose this set because it has all recipes starting from breakfasts, salads and even pies. Many of the recipes were totally new to me. The dump dinner book had plenty of recipes to choose from. The ingredients used in preparing dump dinners are all fresh and healthy. The author has used garlic in many of the recipes of the wok cook book. As I love the flavor of garlic I was tempted to try the recipe named Bella’s and baby corn. It was delicious. I loved the combination of garlic, chilli pepper and cilantro.

Lots for little money.
