"The Search For Significance" is a book that I had wanted to read for some time. A couple of friends had recommended it to me, including one in a small group I attended who said it helped him with relational issues. Therefore, I was glad to see "Search For Significance" on the reading list for one of my seminary courses. When I finished it, I was not disappointed. I found it to be very well done and a solid aid to my walk with God in the area of proper self-concept. As with "Victory Over The Darkness", I was really encouraged by the heavy Scriptural emphasis in "Search For Significance." This was especially important, given the author's theme concerning how our self-concept should be based on God's view of us. Such an assertion required the proper usage of key Biblical passages,

and McGee took care to do just that. Indeed, the author actually stated his awareness that the Word of God is our final authority on our identity in Christ, regardless of the negative messages from the world, Satan, and even from within us. The book's overall organization was also an important feature of "Search For Significance." McGee created a solid, simple outline that formed the foundation for the book. First, he lists the "Four False Beliefs" - Performance, Approval, Blame, and Shame - that cover the major negative self-concept pitfalls which people tend to embrace. He then goes on to identify "God's Answer" to each false belief - Justification, Reconciliation, Propitiation, and Regeneration - and provides the Scriptural basis for these answers. The outline is especially helpful because it provides a concise, at-a-glance reminder of the book's overall theme that makes it easier to comprehend and apply his teachings.
