# Marine Animals Stained Glass Pattern Book (Dover Stained Glass Instruction)

## Synopsis

In this splendid source book of versatile royalty-free designs, stained glass enthusiasts will find a host of usable patterns for a wide variety of projects: windows, panels, mobiles, lampshades, mirrors, lightcatchers, and more. Choose from 82 different designs depicting a multitude of animals found in or near the water: octopus, eel, tropical fish, crab, sea gull, butterfly fish, humpback whale, dolphin, sea anemone, snail, sea horse, jellyfish, penguin, osprey, sea turtle, trigger fish, walrus, and many others. Clearly outlined and identified, the patterns come in a variety of shapes and sizes. They can be easily adapted to a broad range of stained glass work and lend themselves to numerous other artistic and craft uses as well.

## Customer Reviews

Well, this book has many different types of marine life. Everything from sea lions to sea horses, but many of the patterns are unattractive, really. They are sized for immediate use, which is refreshing because so many pattern books give you itty bitty patterns and then you have to run to the copy shop, so that is one plus. But if you are looking for cool tropical fish scenes like I was, this is not the book for you. Too many boring and bland patterns of strange looking star fish and sharks, and many other peculiar animals which just don't translate well to glass.

This was the first order I've placed for a stained glass pattern book. I was disappointed not to see any of the pages in color. Even though one would choose their own colors a review of some contrast would have been helpful.

This book is full of wonderful patterns! It is perfect for those who wish to use the individual fish and sea life patterns to create entire sea scenes or to use the scenes that the author has created for you. I also found the patterns easy to manipulate into simpler designs for those that are new at the art of stained glass. I definately recomind this book.

This book contained pictures that were helpful and informative. I enjoyed the ideas, but some of the patterns contained too many pieces for me, as I am just starting out with stained glass. It was delivered right on time and the price was great. Thank you.
