Shooter's Bible Guide To The Hunting Rifle And Its Ammunition

Synopsis

Another addition to the Shooterâ™s Bible collection, Shooterâ™s Bible Guide to the Hunting Rifle and Its Ammunition will educate anyone interested in hunting rifles. Any question that might come up involving this widely used firearm is answered by Tom Tabor as he takes readers through the many different aspects of hunting rifles and their ammunition. With a crisp, clear voice, the author uses his knowledge to include a variety of chapters, including: Which Rifle and Design? How Much Weight Do You Want in a Rifle? Matching a Cartridge to Your Needs The Right Bullet for the Game! Handloading Right for You? Airline Travel with Firearms Steep Angle Shooting Influences That Can Hinder Accuracy Taking Care of Your Ammo Shooting Myths, Misconceptions, and Outright Distortions And many more! Experienced hunters will learn more in-depth details and skills to take with them on their hunting expeditions. Beginners will learn the basic skills and safety tips that any hunter must know to intelligently take to the woods with a hunting rifle. Shooterâ™s Bible Guide to the Hunting Rifle and Its Ammunition is a treasure trove of wisdom meant for every hunter who opens its pages.

Customer Reviews

I purchased this book because I have several in the shooters bible series and really enjoy them. I was a bit disappointed with this book. I was expecting it to cover the more common cartridges used by everyday hunters but the author focused more on large calibers that you would use on large African game as opposed to typical lower 48 game. I think the title of the book was misleading

based on the actual content. But if you are interested in the big bores than this would be a good book for you.

It's got everything in this book you need to know about rifle Care and useful tips. Also unlike most books it's written in everyday language

Outstanding read, author has a great grasp of the materials. I thoroughly enjoyed reading the many chapters in this book.

great value
