## **Customer Reviews**

The title intrigued me, so I opted for a sample to see what prayer shawl options were inside. The sample contained a message that we may not copy patterns; another page listed other book titles; and then a page with ONE word. That's it. I would love a true sample that allows a clue to the content of the book!

Free patterns is a clue. You can find these patterns for free on their website. Just Google the pattern names. Found out AFTER purchase.

Horrible don't waste your coin.

Seven FREE shawls for \$.99?????

This is false advertisement! I'm surprised no one has sued yet. The title says these patterns are free yet wants people to pay for free patterns? SMH
