fresh bread in the morning, who can say no to that. there are some delicious recipes in this cookbook. breads for breakfast, for dipping, for hearty sandwiches. the best part of all is the smell i wake up to when i use it overnight and i wake up to the fresh smell of fresh bread. best way to start a day!

my fiancé love this book and so do i. i love waking up to the fresh smell of delicious bread on saturday's. she's made 3 different kinds so far and they have all been great. can't go wrong with any of these recipes

LOVE the recipes, works great with my machine. Grandkids eat it all especially raisin bread toast.

Many grammar and spelling errors throughout the book. There's at least 1 recipe messed up because of those types of errors. Huge disappointment.
