Customer Reviews

A useful read from this book. This book described all the necessary informations on how we can earn money from various marketplaces like ,Ebay and Alibaba. You will find all the useful tips here and the most important part of this book is it you help you to learn how to make money without selling products in those marketplaces.

To start you own online-business requires at first, your time and energy, and at second, your money. I would add to this list your knowledge and skills. Definitely, all of us who are seeking for sources of extra income are ready to spend a lot of time and energy and some money. But knowledge we have to mine from books. This book is one of them, and not bad one. It gives us essentials of online-business. And the principle number one is â œPut your prospective customers first!â • The book analyzes specific features of several selling platforms and various selling abilities and strategies. For example, allows having some profit without any money investment by affiliate marketing or Kindle ebook self-publishing. Combining different money-making options, creating partnership with other sellers, building high reputation, learning from the errors of others, and never giving up, you will be able to make sustainable revenue for respectable life. As any other â œhow-toâ • books, this book doesnâ™t guarantee you the greatest result, but it gives directions and ways. You may choose and move!

This is an excellent and succinct book. Even an old dog like me could learn a bunch of new tricks from this book. The author has a superb style of writing that keeps you captivated. Unlike other books in this genre, this book contains specific advice that is easy to follow. If you follow the methods described in a disciplined way it will surely lead to success. I recommend this book highly. It will change your life for the better.

The book provided me informations that i need to know to start business with ebay or etsy. It helped me understood how marketing works and how to earn money without actually spending money. The tips provided by the author are practical guide to get started. It provided you with choices if you actually have money or if you still do not have money to spend for the business. Nonetheless, it was written as if targetting people who do not have any idea how to get started.

If you'd like to start an online business and generate many streams of passive income, but don't know how to start, you should give this book a shot. The book provides some basic, yet crucial advice on how to make money on three of the biggest online platforms: eBay, Amazon, and Alibaba. Basically, the book gets you into the right mindset, and all you need to do is take action, be persistent, and stick to the principles.

Good resource. This book may not be the best but there are useful tips you can get here. This book is really ideal for anyone looking for info about passive income opportunities by retail arbitrage through Amazon, eBay and Alibaba. This book has given me the options I needed and possibilities of a good passive income. It's a big help when you are expecting something after an investment. It also gives ideas to start on right track. Very productive content!

As an online entrepreneur, I am always looking for ways to improve my business, and I was wondering about Amazon and eBay, so this book was a great help for it and made me realize that there is so many ways to make money online, the book is well written, easy to read and understand, full of useful tips and info, I highly recommend this book to any online entrepreneurs

The book is perfect today because with the use of the internet you can make money and establish your own business. The book gave a brief introduction about the sites and it also gave tips that will definitely help you to make an income. It is a good example of maximizing the use of internet not just for entertainment but also for business.
