My husband loved getting this book for his birthday. He is from Colonial Beach, his uncles owned the casino's and he said childhood and teenage memories just kept flowing through his thoughts as he flipped the pages of the book. This was a super find and an excellent gift. It arrived earlier than expected. Thank you.

This book is so good that one of my guests to my Colonial Beach cottage stole the book!....I'm sure it was an accidental taking.... I am now buying my second copy!

This is an excellent table top book for quick browsing with interesting pictures. But it is much more than that as it recounts the history of a town that time forgot, Colonial Beach, Virginia. The historical perspective through a progression of picture postcards makes this book a fascinating glimpse of the progression of the town during its heyday.

A must have if you live, visit, or have visited Colonial Beach, Virginia. When you visit the Town, you

can sense that this was a town that has a history and this book does a nice job with historic postcard of giving you a glimps into a bye gone day!
