Calling Things That Are Not

Synopsis

The principle of calling things that are not as though they were is the spiritual principle through which everything physical becomes manifest. God created the light by calling for "light" when only darkness was there. Jesus used this same method, calling the lepers clean, and the dead to life, and peace to the storm. You must call for what you desire. if you want your dog to come, you call the dog, not the cat. You call for what is not there. Whatever you call in the natural will come. Call what does not exist and continue to call until it manifests.

Capps simply lays out the truth of the Word of God - we have what we say. If you're a born again, Holy Spirit filled believer, find scripture for what you're believing for and start speaking it forth with authority until it manifests in the natural.

Little book but packed with tremendously useful information about this oft unmentioned subject. Such wisdom and sound teaching that sticks right to the Bible as the foundation and the rest of the 'building'. Highly recommend as good information for anyone unsatisfied with their current life situation.

Inspiring! This only proves and instills the fact that we are told to live productively and positively! Charles Capps distinctively brings it all to a better understanding and finds the scripture to back it all

up! Ask, Believe and Receive! It's all in the Bible. Caps just helps you be more aware of your mouth and the power behind it.

Great book from a Pastor who is no longer with us. Thrilled that I could still buy some of these small booklets. Great wisdom!!!

Awesome, very simply written and easy to understand! Points out what we should be doing as believers in Christ.

âœVery pleased with purchase. No issues. I would definitely order from this seller again. Thanks!â•
