My Name Is Not Slow: Youth With Mental Retardation (Youth With Special Needs)

Synopsis

From living with blindness, deafness, autism, or brain injury to struggling through the juvenile court or foster care systems, there are many types of special needs among youth today. This 15-book series explores the challenges facing youth with special needs, as well as the many types of services available to support these young people in their quest for personal achievement and social acceptance. By combining factual information with fictional stories, these books bring to life the struggles, challenges, and triumphs of youth with special needs, providing an education of the heart as well as the mind.

Customer Reviews

As a SPED teacher, I'm always on the look out for children's books about disabilities. This book is not an 'insider' account of MR; it is from the parent's perspective. As the book refers to consideration of abortion, it would be highly inappropriate for a person with MR. Shame. I've found great children's books on every type of disability, except MR.
