This is a pretty good Pinkalicious story that a lot of kids will probably identify with. It's Crazy Hair Day at Pinkalicious' school and she comes to school with her hair done exactly like another girl. The horror! In true Pinkalicious fashion, she creates a different hairstyle that girls imitate and wear to school the next day, showing how awesome Pinkalicious is. This isn't my favorite Pinkalicious book, but it's not bad. I'd recommend it if your child's school does crazy hair days or other such activities.

â—â—â—â—â—SHOWS IT IS OKAY TO BE TRUE TO YOURSELFâ—â—â—â—â—The thing I like about all Pickalicious stories is that they are about a little girl who doesn't apologize for being who

she is. She likes pink. She likes wacky hair. And she doesn't care what the other kids think. She's not mean to other kids. She simply has her enjoyments in life and doesn't change them to please others. That's a great lesson!â€“

My granddaughter loves Pinkalicious books. I've purchased numerous issues including Purplicious, Goldilicious, Silverlicious and have never been disappointed and neither has she. When I learn of another book to be released, I place a pre-order so I won't miss the purchase. These books are great for kids and fun to read to them!

Just a ridiculous book, and not in a funny way. The history teacher teaches about the history of hairdos on crazy hair day at school. All the girls copy Pinkalicious. Whose the copycat now, the book ends. This keeps my children's attention only because I read the book in a tone mocking the inane things Pinkalicious says. Hair-larious.

My granddaughter loves the Pinkalicious books. The Crazy Hair Day book was funny and can be enjoyed by all children 3 and above. I read this book at least three times within 30 minutes. Great book for young girls. Highly recommend.

These books went seriously downhill after the first 3 or 4. Or dozen. Very meh. Shame on the publisher for demanding this author crank out so many sub par books in such a short time. It shows.

my daughter is just beginning to read and loves this series. I like the length and the challenging words they use for her.

Grandchild loves it and got some ideas for making funny hair styles. Good reading for a child learning how to read.
