# The Power Of The Blood Covenant: Uncover The Secret Strength Of God's Eternal Oath

## **Synopsis**

Is it possible that one message exists that has not been fully realized by the Christian market at large, but its implications posses the power to transform the Body of Christ in the twenty-first century? Unraveling the Mystery of God's Eternal Oath is that message. If you are searching for more meaning in your Christian walk, you will be drawn to the deeper revelation found in the power of the New Covenant that was sealed by the Blood of Jesus on the cross. In Unraveling the Mystery of God's Eternal Oath discover a thrilling page-turner that illuminates the intrigue surrounding the subject matter of the blood covenant.

## **Customer Reviews**

The first time I read this book, I read it under the cover of 'The Lost Secret of the New Covenant'. I wept and cried with joy as I finally realized for the first time the depths of God's love for me.

Understanding the Blood Covenant that we have with Jesus Christ has built my faith like no other teaching. I am so thankful to God that it is back in print, I don't care what name it is being published under. If you are sick to death of religion and all it's narrow minded legalism and want to know true freedom, then get this book.

When I first ordered this book in April 2010 I wasn't a Happy Camper. It didn't have anything to do with the content of the book. I couldn't not understand how you could sell one book under two separate titles. However, I noticed that the second book is no longer being offered. Trust me, I am pass that now. This book is absolutely the second best I have ever read. Of course, nothing can top

the Bible. I have purchased 4 additional book since that time and it has impacted the lives of each person that have received it. This book demonstrates the heart of God in such a simple but profound way. There have been so many things that have taken place since studying this book. I have witness to so many people from a covenant perspective and the Gifts of the Spirit have operated through me to bless other people. I get it! It's hard to explain but this book has really connected the dots for me in so many ways. I am on my forth reading of the book and I am sure this is what I will be studying for the rest of the year. If you practice what is taught you will be blessed beyond your wildest dreams. God is an awesome God!!

The Power of the Blood Covenant by Malcom Smith is probably one of the most important books I have ever read. It is good for Christians and non-Christians...I recommend it to everyone. I studied it as I read it the first time and read some places over and over and then begin to read it, just reading. It is marvelous and Malcom Smith's style is witty, creative and very easy to comprehend even though the topic is something most 'Westerners' are extremely unfamiliar with. An understanding of the Blood Covenant opened up many scriptures that once seemed obscure and enhanced my relationship with Father God beyond words. Read it over and over and over...'we know and believe the love He has for us.'

I truly appreciate this book and the depth in which it takes the reader to learn about the blood covenant between God and the believers in Him. It shows how to operate in the Godly realm, and get our prayers answered. This is a "must read" for those who want to enter a deeper realm with God, develop a relationship with Him, and appreciate all that the blood covenant represents.

Malcolm Smith is a premiere Bible teacher. He brings the Scriptures to life and in this book and his accompanying CD teachings also available - Malcolm sets forth what lies beneath the entire Word of God. He reveals the intentionality of God in sending His Son as he lays out the entire foundation of His plan of redemption for us through His covenantal love. A must read, you will never again see yourself as a stepchild of God, but will KNOW who you are and Whose you are.

This is an amazing resource for anyone interested in the concept of covenant underlying the whole of scripture. It is well written, insightful and freeing in its concentration on what God has done for mankind. Excellent book -- one I will give to others and keep on hand in my personal library for years to come.

I've been serving Jesus since 1973, any believers that I have known that has had a tremendous stability in their walk with Christ have understood covenant. Now I understand why in a greater depth because of this book by Malcolm Smith. I wish I would have read such literature on this subject 40 years ago. Now I incorporate it into our First things First teachings.

The impetus for reading this particular book was to supplement the Precept course on "Covenant" I was taking. From page one I was spellbound with every kind of new information on this subject. This book does not read like a textbook on the subject. The author often uses his own life to illustrate his points. Oh, how I wish I had read this book twenty years earlier! This book has helped me understand salvation, my covenant with God and more importantly His to me. This is a life changing read.
