Handbook For The Amateur Lapidary

Synopsis

2012 Reprint of Original 1935 Edition. Exact facsimile of the original edition, not reproduced with Optical Recognition Software. In the U.S. there was little activity in the field of lapidary until the 1930s, when European craftsmen emigrated to New York to serve the jewelry industry. In 1935 J. Harry Howard compiled all the available information into his "Handbook for the Amateur Lapidary. The demand for the book was great. It remains a classic book in the field.

Customer Reviews

It gave me excellent info to get me started. I might have given it 5 stars, but I don't have anything to compare it to.

More extensive than what I wanted but satisfactory. I would have liked an abbreviated version.

arrived fine haven't used it yet.
