Customer Reviews

50 paragraphs on 47 pages of the most basic information (wet the whetstone) and it is in small type that MAY NOT be enlarged (THIS ITEM DOES NOT SUPPORT FONTS). The new feature of "POPUPS," which is supposed to enlarge a portion, does not work this book on my kindle fire. This book does not warrant it's price tag of \$4. Maybe 99 cents. Maybe...

A great book for the Prepper library.

Good basic guide on sharpening knives

Little or no information transferable for use without edge angle measuring gauges.

The directions were basic and easy to follow. Loved the 2 penny idea.
