DIVINE TRUTHS REVEALED: A Glimpse Behind The Veil Of The Material World

Synopsis

A first hand account of a profound and prophetic Beatific Vision. What actually awaits every person after they leave the material world? How are imperfect human beings judged before a perfect and holy God? Does God recognize our man-made Denominations? Is America now being warned to repent before it's too late and His judgements fall upon this once great nation? Do miscarried and aborted babies have a soul? If so, where do their souls go when they leave this world? Does life truly begin at conception? These and many more important spiritual questions are answered with unusual simplicity and clarity. Israel and the Jews are indeed God's very own Chosen People. They were Chosen by God to be the bearers of the Truth and begetters of the Messiah, Savior of all mankind. By way of Israel and the Jews...God has blessed the entire world as was promised to Abraham, the Patriarch. The continued existence of the Jews through centuries of dispersal and persecution caused by the intense hatred of their enemies is a mute testimony and a clear evidence of the existence of the One, True God of Israel. The restoration of the nation of Israel in modern times in precise fulfillment of ancient prophecies is sufficient evidence of the authenticity and inerrancy of the Divinely Inspired Word of God. Someday soon, a Jew named Jesus(Yeshua), will rule the entire world from the remote, insignificant, and relatively unknown city of....Jerusalem.

Customer Reviews

First, thanks to the author for giving me a free copy in exchange for an honest review. Ariela Solsol was raised by an immigrant, single mother in New York. As a young, spiritually inquisitive teenager, God gave her a vision that forever changed her life. In Ariela's vision, her spirit ascended into the heavens where the Lord showed her many divine truths, not just for her but to be shared. Divine Truths Revealed is the fruit of that vision. In many ways, this book reads like an Old Testament prophetic vision. Ariela experiences a new aspect of her heavenly vision (which includes symbols and at times is hard to describe), interprets it, and then exhorts her readers. These visions show many wonderful biblical truths such as: the mystery of the Trinity, the necessity of the gospel, the importance of Scripture and prayer, the reality of spiritual warfare, God's plan for Israel and Gentiles, and God's love for the church and mankind. There are some interpretations of her visions, and thus Scripture, that not everybody would accept, but in general, the doctrine was sound. In fact, I was very edified by the reading "it helped me focus on heavenly realities instead of earthly ones (cf. Col 3:1-2). Here are a few of the wonderful visions and truths that stood out: In one of them, Ariela saw a heavenly garden full of children playing. The children were always in the presence of Jesus, and she discerned that this was where aborted and miscarried babies went. In fact, she saw her own miscarried children (even before experiencing miscarriages). This is what she shared about this vision: "This part of my experience, I believe, has a message for women who have aborted or miscarried babies.
