The Catholic Formulary In Accordance With The Code Of Canon Law (First Instance Marriage Nullity Acts) (Volume 3)

Synopsis

Vol. 3: First Instance Tribunal. This book is an attempt to meet the needs of canonists and other church officials who need a guide in drawing up ecclesiastical documents which meet the requirements of canon law. Many canonists and other church officials, in the performance of their duties, draw up ecclesiastical documents such as official letters, decrees, rescripts, indults, &c. Such church documents must meet the requirements of canon law for drawing up ecclesiastical documents. Thus, this book is meant to serve as a guide to assist bishops, priests, deacons, religious, and lay church officials in the exercise of their ecclesial duties. It has several sample forms of church documents for use in chanceries, tribunals, religious houses, monasteries, nunneries, and parishes. Every effort has been made to ensure that the samples in this book meet the requirements of canon law. You will find this book very useful and handy as a reference guide, a blueprint, a resource material for drawing up ecclesiastical documents.
