Age Range: 9 - 12 years

Grade Level: 4 - 7

Customer Reviews

I PURCHASED THIS BOOK OF JOKES FOR MY 10 YEAR OLD GRANDAUGHTER AND SAMPLED THE JOKES BEFORE SHE RECEIVED THE BOOK. THE JOKES ARE FUNNY AND ARE SHORT SO KIDS CAN REMEMBER THEM. THE BOOK IS ORGANIZED IN SECTIONS FOR THE DIFFERENT ANIMALS THAT ARE JOKED ABOUT IN THE BOOK. A FUN BOOK FOR KIDS AND TEENS.

I put this in my nephew's Easter basket and he loved it! I am sure he drove his class to tears telling these jokes all day the following Monday. He got such a kick out of this book. He is not into candy but he loves jokes so this was just right for him. Helps with his reading and memory (since his Mom would not let him take the book to school so he had to work at remembering the jokes) A great book!!!

Lions and tigers and bears...oh my! Rob Elliot has done it again with this latest jokes collection,

Zoolarious Animal Jokes for Kids. Imagine your next family road trip with your child reading these jokes out loud the entire way--great distraction until you arrive at your destination. Joke books make reading fun, and Zoolarious does the job...perfect Summer reading material!

I love this book. I bought this for my GrandBabies and my son hates it. They are always telling him jokes...again, I love it!

I got this for my 6 year old to learn some jokes to tell his friends and he is always getting a good laugh from his little brother. These jokes are cute, corny and perfect for elementary age children.

More Laugh Out Loud Jokes for Kids is great fun Q&A style jokes for kids. Like the previous book, this volume focuses primarily on the Q&A style jokes. There are two random pages of tongue twisters dotted in, and the remainder of the book is in Q&A style. I was hoping to see some "punchline story jokes" in here (such as the "two ducks walk into a store" type jokes), but sadly there are none. There are no large illustrations in the book either, so this volume is pure joke fun. My kid comedian had a blast staying up late poring over this book with his cousin, and the jokes were simple enough for younger kids to get. Overall, this is a fun second volume in the Laugh Out Loud Jokes for Kids books. It's a great book for any kid comedian.

My girls loved this book before we ever bought it. Just the examples listed on the preview page were enough to give them a ton of entertainment. They remembered and re-told the preview jokes before the book ever arrived as a Christmas surprise. Once they got it, my 7 year old sat down and read it like a chapter book. She read some of the jokes to her little sister, and they both laughed and enjoyed it. I like it, as the jokes make sense to little kids. Some joke books make comparisons or refer to things that kids don't understand. Then I have to explain it to them, and by that time, it's not funny to them. These were jokes that they got immediately, because kids know about animals! I highly recommend this book, and we will probably buy other books in this series.

The children in the family seem to enjoy these jokes. It's clean humor for the family to share and enjoy.
