Customer Reviews

As an avid collector and Faberge Egg enthusiast, I have been looking for this book for several years. Having several books on Feberge Eggs, this book provides comprehensive details and pictures of each Imperial Egg, information on Carl Feberge and the craftsmen that worked for him, detailed invoices and a two-page listing showing the eggs, dates of production and the worker that crafted it. This item far exceeded my expectations. Expecting to receive a second-hand worn copy, what I received was a 'signed' copy in great condition. For anyone that has enjoyed the history of Faberge eggs, this is one for your collection.
